

WELCOME TO CAMPING PORS PERON

Camping Pors Peron is set in a quiet rural location on the beautiful Cap Sizun peninsula in Western Brittany, France. It has 92 hedged and individually marked pitches and 9 modern mobile homes to rent. Our family run-campsite is situated 300 metres from a secluded and sandy cove where there is direct access to the coastal footpath.

We, Graham and Nikki, are originally from the UK. Having bought the campsite in 2005, we have improved and renovated various areas of the site, all of which help contribute to making your stay as pleasurable and relaxing as possible. We have modern separate male and female sanitary blocks, a traditional children's play area and two very popular trampolines. We have also recently built a new reception which includes a well-stocked shop where fresh bread and pastries are delivered on a daily basis from the local boulangerie in the high season.

There are numerous coves and beaches in the area from the small and secluded coves, to the large open expanses of the beautiful baie des Trépassés with its rolling Atlantic waves ideal for both the beginner and advanced surfer or body boarder.

Whether you prefer a beach holiday, a walking holiday, fishing from the coast or cycling along the quiet country lanes and cycle routes or just relaxing on our campsite we are here to welcome you.

We are situated at the Western most tip of France in a countryside location, however we are surrounded by an large variety of things to see and do, a selection of which are mentioned on our website. We have a selection of tourist information leaflets in the reception area, where we are always available to offer suggestions and assistance.

The campsite shop sells a range of Campingaz. You will need to bring your own bottles of Campingaz to exchange when empty. Calor Gas is not available in France. You will need to bring enough gas to last your stay or you will need to swap to a French bottle. This also involves changing the regulator as the threads are different sizes. This should only be done as a last resort or if you are away from the UK for long periods.

BEFORE LEAVING THE CAMPSITE, PLEASE COULD YOU KINDLY CHECK THAT YOUR EMPLACEMENT IS CLEAR OF RUBBISH AND THAT YOU HAVE ALL YOUR EQUIPEMENT INCLUDING TENT PEGS!

PLEASE – to prevent killing the grass on your pitch, do not put down plastic groundsheets. We are happy for you to use the breathable type of groundsheet that allows the grass to grow through, but these should be lifted every few days.

Barrier

The barrier is closed between 23.00hrs and 08.00hrs. If you return to the site after 23.00hrs please leave your car in the car park quietly as not to disturb other campers. If you are in a motorhome and need to make other arrangements, please contact the reception. Trailers are allowed on the campsite with prior approval.

Pors Peron Beach

The sandy beach of Pors Peron is safe to swim in. At times of high water and if the sea looks rough then obviously care needs to be taken. During low tide the water tends to be a calmer and safer. In general we would say that the beach is safe for swimming apart from in rough sea states. We would suggest when this is the case that you can go to the south coast (just 10 minutes by car) and the beaches there should be fine. Body boarding on Pors Peron beach is sometimes possible. A 15 minute car drive will take you to the best surf beaches in Brittany which also have a surf schools and board/wet suit hire available.

Bike hire

You can hire bikes from the reception. They need to be reserved the night before. We have a selection of adult and children's bikes, a child seat and a tow-along double-trailer. Prices can be found on our website.

BBQ's

Open fires are prohibited on the campsite. Free-standing BBQ's are allowed but must be raised off the ground as not to scorch the grass.

Parents/guardians are responsible for the behaviour and safety of children in their care at all times. In the interest of safety, an adult **MUST** accompany children at the play area. Children under 10 must be accompanied in the toilet block by a parent.

Children play area

We have a large children's play area surrounded by sand intended for children under 12, who **MUST** be supervised at all times. We also have two very popular trampolines and a large set of swings. There is also a table tennis table. We cannot accept responsibility for any injury sustained whilst using the play equipment.

Table tennis & Boules

Please ask at reception if you wish to borrow table tennis bats and balls. This service is free of charge as long as all the equipment borrowed is returned including the ball!

DOGS & PETS

We accept all dogs as long as they are calm and quiet. We ask all owners to keep their dogs on a lead at all times on the campsite, including on their pitches **and that any 'accidents' are cleaned up immediately.** Officially dogs are not allowed on the beach in high season. However there are some lovely walks along the coastal path where you can exercise your pet. The coastal footpath also leads to another small sandy cove 100m from the main beach. It has a steep decent but most people visit this beach with their dogs all year round. There are also other beaches within a 15 minutes' drive of the campsite that are specially designated for dogs. Please note that the reception/shop and the toilet blocks are strictly no-go areas for dogs! There is also an excellent veterinary practice in the town of Pont Croix 5km from the campsite.
